

In the Backseat (Alternate)

Arcade Fire

I like the peace
In the backseat
I don't have to drive
I don't have to speak
I can watch the countryside
And I can fall asleepMy family tree's
Losing all it's leaves
Crashing towards the driver's seat
The lightning bolt made enough heat
To melt the street beneath your feetAlice died
In the night
I've been learning to drive
My whole life
I've been learningI like the peace
In the backseat
I don't have to drive
I don't have to speak
I can watch the countryside
