

# It

## Ziggy Marley

[Chorus]

It was written, up in the book of life  
That man shall, endure forever more  
And it was written, up in the book of life  
That man shall, endure forever more

Well did you know the pen is stronger than the knife  
They can kill you once but they can't kill you twice  
Did you know destruction of the flesh  
Is not the ending to life fear not of the Anti-Christ

Did you know that I exist before the earth  
And did you know my eyes are windows to the world  
Did you know you can't go a Zion and a wear Jerry curls  
Can't tell the boys from the girls

Your bodies just a vehicle transporting the soul  
It's what's inside people, is beauty to behold  
Fear not of evil, every day dem flesh it grow old  
Changes of the time take toll

[Chorus]

It is told that once this greasy order  
Is form it comes into a young man's world  
And two of dem is like a soldier  
That joins the thunder is a wonder

One's attack is like a blunder  
One is luckily a stranger  
Dem both was born like Jesus inna manger  
So join the thunder that's savin' our world

A vester on his chest and Rastafarian is his name  
A gift of everlasting life for us to all sustain  
Blessing that you all be got, lessons taught you all forgot  
Rasta call I shit you not, do you remember Elijah  
And his chariot of flames, same blood that runs through my veins

Watch for sticks and stones stumbling blocks and piles

Life is one big road miles on top of miles  
So blessed be the soul that always remains a child  
And most people don't even smile there's a natural mystic

Blowing in through the air so keep it realistic and always be aware  
The truth is crying out and it's so loud and clear,  
But most people won't even hear spiritual pollution is in the atmosphere  
And with so much confusion can one be happy here  
The gift of Rastafari is for all man to share  
But some would rather to be so unfair

[Chorus]
