

Have I Told You Lately That I Love You

Kenny Rogers

Have I told you lately that I love you?
Have I told you theres no one else above you?
Fill my heart with gladness
Take away all my sadness
Ease my troubles, thats what you doFor the morning sun and all its glory
Greets the day with hope and comfort too
You fill my life with laughter
Somehow make it better
Ease my troubles thats what you doTheres a love divine
And its yours and its mine
Like the sunAnd at the end of the day
We should give thanks and pray
To the one, oh, to the oneHave I told you lately that I love you?
Have I told you theres no one else above you?
You fill my heart with gladness
Take away all my sadness
Ease my troubles, thats what you doTheres a love divine
And its yours and its mine
Like the sunAnd at the end of the day
We should give thanks and pray
To the one, oh, to the oneHave I told you lately that I love you?
Have I told you theres no one else above you?
You fill my heart with gladness
Take away all my sadness
Ease my troubles, thats what you doTake away all my sadness
Ease my troubles, thats what you doOh, take away all my sadness
Ease my troubles, thats what you doOh, baby, baby, baby
Have I told you lately that I love you?
C'mon baby move with me
Baby, baby, baby
Baby, baby, baby
