God of Forbidden Light

Dissection

Hail Lucifer!
Dark bringer of light
Hail Lucifer!
Giver of eternal sightWisdom bringer - We call upon thy name
Bestow upon us thy infernal blessings
Of the inner divine flameOpen our eyes Mighty Father
So that we may see
Guide our steps on the Burning Path
Of liberation and ecstasyTitanic Prometheus - God of forbidden light
Your Black Flame we bear inside as a legacy of your mightIllumination's father - God of shadowless light
Black Sun of dark mysteries - Restore the dragon's sightMighty god of darkness
All salutations to thee
Your gift of knowledge and rebellion
Will set our spirits freeLylusay Tateros Volt Sids Lucifer!
Lylusay Tateros Volt Sids Lucifer!Open our eyes Mighty Father
So that we may see
Guide our steps on the Burning Path
Of liberation and ecstasyMighty god of darkness
All salutations to thee
Raise the hidden flames within us
Into chaos set us free
