Dog On a Toolbox

James Bonamy

Baby, I ain't complainin' so please don't get me wrong
But sometimes you're like a puzzle with a couple of pieces gone
It's a mighty wild ride you've been takin' me onSometimes I feel like a dog standin' on a toolbox
In the back of a pickup truck doin' 90 'round a corner
Just tryin' to hang on for dear lifeWhen you had to have a little pink house, I said okay
When you pulled your Harley up to a church, well, I just prayed
And my life is like a mobile home in a hurricaneSometimes I feel like a dog standin' on a toolbox
In the back of a pickup truck doin' 90 'round a corner
Just tryin' to hang on for dear lifeHangin' on, it's what I live to do
You know, I love this crazy life with youRemember when you quit your job to rodeo
Or the time you jumped on stage
You sang with the Rolling Stones
When you start rockin', well, I get ready to rollSometimes I feel like a dog standin' on a toolbox
In the back of a pickup truck doin' 90 'round a corner
Just tryin' to hang on for dear lifeYou make me feel like a dog standin' on a toolbox
In the back of a pickup truck doin' 90 'round a corner
Just tryin' to hang on for dear life
