Deerhoof

The building, building from the side to side
Uptown
And all the cell-phone talkers need chit-chat
The people, people from the side to side
Uptown
Get louder, closer, next to neon lights
Beach on tops circle tread on my tar
Get out and pass the muster, neon lights
Beach on tops circle tread on my tar

Choo choo choo choo beep beep
Choo choo choo choo choo choo choo choo choo choo
Choo choo choo choo beep beep
Choo choo choo choo, choo choo choo choo choo choo
Choo choo choo choo beep beep

She from Japan, in st-a-ge
Pagodas, kimonos, cars
The building from the side to side

So many many people trying hard to climb
Over the floor
High up above the one
Careful with your words

Sight high towers
Cars are coming down
Cars are coming back down

Shopping shopping shoppers
Crash crash town
Train'when you won't look down
When you won't look down
Shopping shoppers
Cars are coming up
Cars are coming up
Cars come now

She from Japan, in st-a-ge

Choo choo choo choo beep beep
Choo choo choo choo choo choo choo choo choo choo
Choo choo choo choo beep beep
Choo choo choo choo, choo choo choo choo choo choo
Choo choo choo choo beep beep
