

Beulah Land

nowhere man and a whiskey girl

Beulah Land
Got a wasted gun
Liberation man
Some you are
Sometimes
Got something in that saying
Beulah girl
You better hitch me up
Got some candy
And sweet saying
Give me religion
And a lobotomy
Beulah land
Beautiful home
Tell me when
I don't need you anymore
Said that somewhere
You're gonna get something
You're so
You're right in the middle
And then I'm you
Something is coming back again
I said
You
Maybe I don't wanna go
To where you're not
So
Beulah land
Gonna find me a warm
Place to bathe
This body on down
Got a rubber boat
And a crocodile
Gonna float on past your home
And say when
Just say when
Just say when
