

Love Me Like You Mean It

[Kelsea Ballerini](#)

Love me, love me, love me
Oh hey, boy with your hat back, I kinda like that
If you wanna walk my way
I am shoot ya straight up
Show me what your made of
I don't have time to waste on the boys that are playing the game
Or leaving the girls crying out in the rain
So tell me baby, do you got what it takes If your gonna hold me, hold me like I'm leaving
If your gonna kiss me, kiss me like you need it
Baby if your not your best get to leavin'
If your gonna love me, love me like you mean it
If your gonna talk the talk, you better walk it
If your wanna keep me, keep me like you lost it
If your gonna say and make me believe it
If your gonna love me boy, love me like you mean it Oh hey, I've had my share of losers, liars and users
Looking for a heart to break
So if your like that well, take a step back
'Cause I don't have time to waste on the boys that are playing the game
Or leaving the girls crying out in the rain
So tell me baby are you just crazy or crazy over me If your gonna hold me, hold me like I'm leaving
If your gonna kiss me, kiss me like you need it
Baby if your not your best get to leavin'
If your gonna love me, love me like you mean it
If your gonna talk the talk, you better walk it
If your wanna keep me, keep me like you lost it
If your gonna say and make me believe it
If your gonna love me boy, love me like you mean it If your gonna love me, love me, love me If your gonna hold
me, hold me like I'm leaving
If your gonna kiss me, kiss me like you need it
Baby if your not your best get to leavin'
If your gonna love me, love me, love me
If your gonna talk the talk, you better walk it
If your wanna keep me, keep me like you lost it
If your gonna say and make me believe it
If your gonna love me boy, love me like you mean it (yeah, yeah) Love me like you mean it
If your gonna love me, love me, love me
Love me like you mean it
