Million Dollar Man

Lana Del Rey

You said i was the most exotic flower
Hold me close in our final hour

I don't know how you convince them and get them, boy
I don't know what you do, but you're unbelievable
I don't know how you get over, get over
Someone as dangerous, tainted as long as you

One for the money, two for the show
I love you honey, and so i'm finally ready to go
How did you get that way? i don't know
You're screwed up, you're brilliant,
You look like a million dollar man,
So why is my heart broke?

You got that world baby i reprise
Something so strange, it's hard to be fine

It isn't that hard boy, to like you or even love you
I will follow you down down down,
Why? cuz you're unbelievable
So if you're going crazy just grab me and take me
I would follow you down down down, like anywhere anywhere

One for the money, two for the show
I love you honey, and so i'm finally ready to go
How did you get that way? i don't know
You're screwed up, you're brilliant,
You look like a million dollar man,
So why is my heart broke?

I don't know,
You're screwed up, you're brilliant,
You look like a million dollar man,
So why is my heart broke?
