## Wrens

you ought to know  
that everyone is asleep inside a church  
it's a social setting let it erase  
stick it to the skin take a spike  
here's an eye hole through the wrists  
"melech halom ba ray pre ha goffen adanoi"  
take all the doubts wear the ideas  
call it a faith and it's the finest sunken show you're in  
I'll head the concept so kiss my behind  
I'll take you where you want to be my son
