

Dance To The Music

Simple Minds

Dance To The Music

Dance To The Music

All we need is a drummer for people who only need a beat. Yeah

I'm gonna add a little guitar and make it easy to move your feet

I'm gonna add some bottom so that the dancers will twist all night

You might like to hear my organ I said my kind of bag now.

If I could hear the horns blow sitting here on the ground listen to me

Dance To The Music

Dance To The Music
