Ice That Melts the Tips

Curve

Blue, I'm blue as the water
It's true, I'm cleaner than the air
You breathe, I'm clearer than sunsets
And the picture, of that woman in your heartPush me in too deep
Push me in too deepI'm cold, I'm colder than ice that melts the tips
Of the only questions, that really exist, to you
The horizon, frozen moonlight in your eye, in my eyesPush me in too deep
Push me in too deep
