

Let Me Fall

Alexz Johnson

I feel chained,
chained down
you shoved me to the ground
i cant run i cant shout
just let me out
you sound heartless
this couldn't mean less but i pushed in your face
and you must,
i have something to say
let me rise
let me fall
let me breathe
i wanna lose control im not afraid to lose it all
let me break
let me crawl
because i'll get back up again if you let me fall
if i burn down in this fire
i got myself to blame
i cant stop so give it up
i need to feel the pain
can you hear me dont come near me
you'll just get in my way
i wont let you man and theres nothing you can say
let me rise
let me fall
let me breathe
i wanna lose control i'm not afraid to loose it all
let me break
let me crawl
because i will get up again if you let me fall
uhhh uhhh uhhh
so you know why so let me die
and you understand dont need to figure it out
lift my own while
let me rise
let me fall
let me breathe
i wanna lose control im not afraid to lose it all
let me break

let me crawl cause i will get up again if you let me fall
yeah yeah yeah yeah yeah yeah yeah
if you let me fall
if you let me if you let me fall if you let me fall
i will get up again if you let me fall
yeah yeah yeah yeah
let me rise
let me fall
let me breathe if you let me fall
