

# Losing You

[Randy Newman](#)

Was a fool with my money and I lost every dime  
And the sun stopped shining, it rained all the time  
It did set me back some but I made it through  
But I'll never get over losing you Do you know how much you mean to me?  
Should've told you 'cause it's true  
I'd get over losing anything  
But I'll never get over losing you When you're young and there's time you forget the past  
You don't think that you will but you do  
But I know that I don't have time enough  
And I'll never get over losing you I've been cold, I've been hungry now for awhile  
I guess most of my dreams have come true  
With it all here around me, no peace do I find  
'Cause I'll never get over losing you  
No, I'll never get over losing you
