

Tits McGee

Zane Lamprey

Thereâ€™s a bar in Dublin, Ohio
Thatâ€™s not much on dÃ©cor
Itâ€™s dark and dingy, the owners stingy
Thereâ€™s dirt upon the floor
The liquors watered down
The whole place smells like pee
But itâ€™s not the pour they come here for
Itâ€™s the barmaid Tits McGee

Tits McGee, Tits McGee
Itâ€™s her weâ€™ve come to see
It would be empty without the barmaid Tits McGee
Tits McGee, Tits McGee
I know that youâ€™d agree
Theyâ€™re quite a sight to see the barmaids Titsâ€™.McGee

The bathrooms out of order
But the place is always packed
The big allure is for sure
The barmaids splendid rack
The ceilings falling down
The patrons are all felons
But itâ€™s worth the risk
for a glimpse of her amazing melons

Tits McGee, Tits McGee
Itâ€™s her weâ€™ve come to see
It would be empty without the barmaid Tits McGee
Tits McGee, Tits McGee
I know that youâ€™d agree
Theyâ€™re quite a sight to see the barmaids Titsâ€™.McGee

The Appalachian mountain range
Is quite a sight to see
But itâ€™s all for not
Once you spot the peaks of Tits McGee
Her wonderous milk makers
Sheâ€™s famous for her breasts
Sheâ€™s endowed and so proud

She wears them on her chest

Tits McGee, Tits McGee
Itâ€™s her weâ€™ve come to see
It would be empty without the barmaid Tits McGee
Tits McGee, Tits McGee
I know that youâ€™d agree
Theyâ€™re quite a sight to see the barmaids Titsâ€™.McGee

The parish ladies loath her
Theyâ€™re jealous to the bone
But Godâ€™s gift â€™bove her mid-drift
Are no fault of her own
I see only one thing for
Church folk to gripe about
Cause â€™round eleven
It turns to Heaven
Thatâ€™s when she takes them out

Tits McGee, Tits McGee
Itâ€™s her weâ€™ve come to see
It would be empty without the barmaid Tits McGee
Tits McGee, Tits McGee
I know that youâ€™d agree
Theyâ€™re quite a sight to see the barmaids Titsâ€™,
