Gone With The Sin

Him

I love your skin, oh so white
I love your touch, cold as ice
And I love every single tear you cry
I just love the way you're losing your lifeWoah, my baby, how beautiful you are
And, woah, my darling, completely torn apart
You're gone with the sin, my baby and beautiful you are
So gone with the sin, my darlingI adore the despair in your eyes
I worship your lips, once red as wine
And I crave for your scent, sending shivers down my spine
And I just love the way you're running out of lifeWoah, my baby, how beautiful you are
And, woah, my darling, completely torn apart
You're gone with the sin, my baby and beautiful you are
So gone with the sin, my darlingWoah, my baby, how beautiful you are
And, woah, my darling, completely torn apart
You're gone with the sin, my baby and beautiful you are
So gone with the sin, my darling
