Pedestal

BarlowGirl

You're the coolest person
That I have ever seen
So perfect with your pretty face
On the TV screenWell, you're a God I know it
How you stand above them all
You are my perfect person
Man I'd hate to see you fallI want someone to believe in
Yeah, well don't we all?
'Cause in this life of imperfection
Need someone who won't fallYou got it, you got it
You got it all
You got it, you got it
You got it allGot a magazine today
That was full of you
Shocked to read the words they said
Tell me they're not trueWell, add you to my fallen list
One more has hit the ground
The fault was mine, I held you too high
Your only way was downI want someone to believe in
Yeah, well don't we all?
'Cause in this life of imperfection
Need someone who won't fallYou got it, you got it
You got it all
You got it, you got it
You got it all
Yeah, yeah, yeah, ahaI can't deny this need inside
I have to find the perfect one
But I wonder if behind my need
There might just be a reason?Is my life just one big searching
For the one I can adore?
It never works
And I'm just left here wanting moreCould it be this hunger's there
To drive me to the one?
Who's worthy of all worship?
Would my searching then be done?I want someone to believe in
Yeah, well don't we all?
'Cause in this life of imperfection
Need someone who won't fallYou got it, you got it
You got it all

You got it, you got it
You got it allNa na na, na na na
Na na na, yeah
Na na na, na na na
Na na na, yeah
Yeah, yeah, yeah
