

Out and Alone

The Burning Hotels

You're gone
You found a place into my head
There you are
You went and wrecked somebody else's life
Why not mine?
You know
You're broken all the time
Cause I'm out
Now I'm alone
Now I'm out
And I'm alone
(Can) Can I get a lift to your house
Where I can talk to you?
(Now Can) Can I get a lift to your house
Where I can talk to you?
Woah oh oh oh woah oh oh oh
Your makeup looks just fine!
Woah oh oh oh woah oh oh oh
Your makeup looks just fine to me and I'm a joke
Who cares about you anyway
What's your deal with me?
And I've seen a girl stuck in between the walls and she said, "I am out and alone too"
Cause i'm out
Now I'm alone
Now I'm out
And now alone
(Can) Can I get a lift to your house
Where I can talk to you?
(Now Can) Can I get a lift to your house
Where I can talk to you?
Woah oh
(Can) Can I get a lift to your house
Where I can talk to you?
(Now Can) Can I get a lift to your house
Where I can talk to you?
