

# Existence

## Shylah Ray Sunshine

### EXISTENCE

Stepping out of righteousness  
Recognizing Oneness  
No separation of you and I, of that, of this  
We are playing one game  
Everyone wins the same  
I allow all things to exist today  
I allow all things to exist in their own way  
I exist in my own way

And I am a powerful creatress  
Living in the matrix  
Source of all wisdom  
In this bliss queendom  
We will all manifest  
We will all rise  
Raising our consciousness  
Opening our eyes  
We can do anything as long as we try  
Whoever said that the limit was the sky  
I have a dream and Iâ€™m living it everyday  
Learning not to let my fears get in the way

Oh, and I reach into myself and  
Oh, I smile for what Iâ€™m feeling  
Know that you are God and God is love  
When you pray, do you pray to above?  
When you pray, do you pray below?  
When you pray, you can pray to yourself because you knowâ€¦

You are so powerful  
You are the One youâ€™ve been waiting for  
You are so powerful and  
You are the One youâ€™ve been waiting for

Thereâ€™s more to be aware of  
Nothing to be scared of  
We have a relationship with Spirit

Guided by the instinct  
Intuition, don't think you are living this life alone, oh no  
We were born into a world so vast  
We got to slow down and not move too fast  
We have been given the gift of life  
Blessed are these days and  
Sacred are these nights

Oh, and I reach into my soul  
Oh, just to find all that I knew I know  
We are part of a circle, a family  
And how long will it take for us to see?  
And how long will it take for us to be?  
And what more could we possibly think we need? Just breathe!

We are so powerful  
We are the Ones we've been waiting for  
We are so powerful and  
We are the Ones we've been waiting for

I am so powerful  
I am the One I've been waiting for  
I am so powerful  
I am the One I've been waiting for
