The Negative Space

Keepsake

She wants it
He doesn't want enough
She dreams it
He dreams in shades of blue
She holds on
He lets go of all they know
He's living
She's dying way too young(Chorus)
A girl so strong
Broken one by one
Day by day
She runs away
from the ones who really love
A girl so strong
Broken one by one
They say that home is where the heart aches
But in her case
Home is where the heart makes her
the one we love
It's been so long
since he's seen your face
An image that he can not replace
It's been so long
since she's been gone
Her love's with us for ever longShe sees him.
He never sees a thing
He breathes it.
She's choking on her own heart(Chorus)It's been so long
since he's seen your face
An image that he can not replace
It's been so long
since she's been gone
Her love's with us for ever long(Chorus)
