

# Niggas Gonna Die

## Shyne

I just wanna move mad bricks for all the days I never had shit  
Now I'm young heartless an' rich  
Pistols an' pussy, straight from the door  
Brown paper bags full of blood money, need more  
Too much ain't enough, high off dust, greed never endin'  
Catchin' bodies, I'm what Gotti was supposed to be  
It's overwhelmin'  
Face smothered in cocaine, against all odds  
Life is what you make it, well I made it  
Leavin' motherfuckers naked  
I get excited watchin' niggaz bleed helplessly  
Put 'em out they misery, selflessly  
A coward dies a thousand deaths, I got a thousand tecs  
Takin' niggaz with me when I got, fo'rilla  
I'll probably be all pissy when I blow, fo'rilla  
Adrenaline rushin' blood bushin'  
It's nothin' long as I'm bustin'  
All gangstas is dead or in jail  
Except for me I posted bail, all hail  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Fast cars an' plea bargains, pitchin' niggaz wigs  
Have they families donatin' they fuckin' organs  
What you like stress you up, press your luck  
Better hope you hit seven or find yourself in Heaven  
Lost my conscience somewhere in between  
Watchin' niggaz die an' leavin' the murder scene  
Hot gun in my waist, stockin' over my face  
An' I tell you niggaz this, I never miss, check it  
My point of view is me or you  
An' I'ma burn anyway, what the fuck? Bust  
Seventeen shots up in your guts, truck blood drippin'  
Dead on arrival, leavin' my rivals lookin' up at the clouds  
The prodigal son, seein' demons an' devils  
Through the reflection of my watch bezel

Embezzle an' racket, full metal jackets  
Poppin' heat an' seekin', niggaz die, internal bleedin'  
Hear Mom screamin', ?Bury Shyne?  
'Cause when I come, motherfuckers all die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die  
Money be the root of all evil, Calico Desert Eagles  
Bitch, I'm comin' to see you, all you niggas gonna die  
Motherfucker, die
