

# All About It (Feat.Ed Sheeran)

## Hoodie Allen

Oh, oh  
Said I'm all about it'Cause I got soul and I won't quit  
And your dad don't like it when I talk my shit  
'Cause I'm all about it baby  
I'm all about it baby  
Staying up late just to pass the time  
And your parents don't like it when you out getting high  
But I'm all about it baby  
I'm all about it baby, hmm I'm not a rapper just a singer with a game plan  
I play guitar no need to worry 'bout my Drake hand  
80,000 People in front of the stage, damn  
Waiting for the sun to shine just to rock these Ray Bans  
I just wanna leak shit (what?)  
Not literally leak shit  
Wanna push the music through the speakers  
Double shot glass, I'm in the back of the pub  
My mate Jason at the bar screaming "Who want what?"  
Now, please be warned, that every song I feature on  
Has capacity to be reborn  
I said that anything can happen when I pick up a pen  
But now I'm all about love so won't you say it again  
I said I used to be the shy type  
Backpack on my back on public transport sort of guy type  
Now I'm in the lime light  
Tryna get my mind right  
Body clock is in the clouds so often guess it's high time  
Hoodie sing the line like I got soul and I won't quit  
And your dad don't like it when I talk my shit  
'Cause I'm all about it baby  
I'm all about it baby  
Staying up late just to pass the time  
And your parents don't like it when you out getting high  
But I'm all about it baby  
I'm all about it baby I'm not a singer, I just rap pretty  
So now my fan base is full of Megan's and Ashley's  
And they're wondering if there's room for them to get in my bus  
And I'm like, "Naturally, baby, let me find a spot in the front"  
For you, and for your friends  
You can be mine, but we can pretend, oh

Typical rapper actin' a typical fashion  
I'm doing something that's different  
I'm tryin' to Paula my patent young  
Prince of Manhattan, now everybody believe it  
Adrien Broner the way I'm ducking and weaving  
We go together like interceptions and Revis  
She said the only rapper she lovin' is Yeezus  
One for the money, two people since the beginning  
Three million records get sold, and not everybody is winning I'm  
Larry David plus Miles Davis  
So everybody hating and fuck it, I hardly blame 'em'Cause I got soul and I won't quit  
And your dad don't like it when I talk my shit  
'Cause I'm all about it baby  
I'm all about it baby  
Staying up late just to pass the time  
And your parents don't like it when you out getting high  
But I'm all about it baby  
I'm all about it babyAnd they don't know anything about us  
Or anything about us  
Or anything about it  
No, no, noAnd they don't know anything about us  
Or anything about us  
Or anything about it  
No, no, noOh, ohI'm singin songs for the cityOh  
Ooh yeah
