Carry On / Questions

Crosby, Stills & Nash

One morning, I woke up
And I knew you were really gone
A new day, a new way
And new eyes to see the dawn
Go your way and I'll go mine
And carry on
The sky is clearing
And night has gone out
The sun, he come
And the world is all full of life
But rejoice
(Rejoice)
Rejoice
(Rejoice)
'Cause we have no choice
But to carry on
The fortunes of fables
Are able to sing the song
And now witness, the quickness
With which we get along
To sing the blues
You've got to live the tunes
And carry on
Carry on
(Carry on)
Love is coming
(Love is coming)
Love is coming
(Love is coming)

To us all
Where are you going now, my love?
Where will you be tomorrow?
Will you bring me happiness?
Will you bring me sorrow?
All the questions of a thousand dreams
What you do and what you seem?
Lover, can you talk
To me, yeah

Can you talk to me?
Talk to me
Boy, when I was on my own
Chasin' you down
What was it made you run
Tryin' your best just to get around?
Questions of a thousand dreams
(Questions of a dream)
What you do and what you seem
(Oh, what you see)
Lover, can you talk
To me?
Talk to me
I'm wanting, love will come
(Carry on)
Carry on
(Love is coming)
Love is coming
(Love is coming)
To us all
