

# Can I Have I Like That

Pharrell Williams

Ladies and gentlemen

Yes sir

Let's do it

Yes sir

Yo, on and on and my nuts I'm palming

Take two of these and call me in the morning

You should see the way the chain heart is a charmin'

Flying like a bird like Nelly Furtado

Shit, pop ya bottles toast and scream, ?Cheers!?

Getcha two step ?cuz it's the record of the year

Nigga that brought you Ice Creams, 2 for a Pair

Officially announcing this is warfare

?Cuz back in the day my clouds was grey

And it seemed like my angels couldn't blow them away

But then I sold my first verse and copped that NSX

But I was still ridin' in them thin ass jets

But now

Man, my business so clear out the window of the Lear

And I'm talking on my celly all this shit that you should hear

Listen clearly now

Hello, can you hear me now?

Can I have it like that?

You got it like that

Can I have it like that?

You got it like that

Can I have it like that?

You got it like that

Can I have it like that?

You got it like that

So, drop ya purse and grab ya hips

And act like ya tryin' to get this money right quick

So can I have it like that?

You got it like that

Can I have it like that?

You got it like that

On and on and this beat is zoning

I control they mind from straight over the phone and

Let 'em explore the words something like a tourist

And never get addicted unless the heady wop is serious

From Louisville to Jimmy Choos, he's real  
She knows the time she sees the Richard Mille  
Flat double skeletal Tourbillion  
It's just like her body move, it turns her on  
She like the way my hands use her body for hand warmers  
And all our car doors go up like Transformers  
See I can do it thisaway, I can do it thataway  
From the crib in Virginia to that new Miami getaway  
So cool it like New Edition unless you hot as you say  
I'll get it, ok, let it boil away  
But please run along, 'cuz ladies is feelin' wrong  
And I got some right for 'em right after this song  
My name is Skateboard P  
Ladies and gentlemen  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
So, drop ya purse and grab ya hips  
And act like ya tryin' to get this money right quick  
So can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
On and on and the temperature's warming  
I spit heat flashes, niggas get nauseous  
Bright as a bitch, so analyze with caution  
When the light hit the ice bet a 100 that you vomit  
Should I mention the fact the transition is the track?  
New incision to the vision just to get me where I'm at  
Lil' Skateboard he too grown  
Riding up and down Collins in that new two-tone  
It's so cold you don't wanna feel the chill of it  
(Uh!)  
Just stand back and just look at the grill of it  
(Uh!)  
I don't smoke but I bet the sensamill of it  
It totally intensifies the vivid ass appeal of it  
You can be jealous and grit ya teeth  
But all these little niggas got something in reach  
So, you want heat? These niggas can front heat

While on my boat party trying to sunseek  
My name is Skateboard P  
Ladies and gentlemen  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that  
So, drop ya purse and grab ya hips  
And act like ya tryin' to get this money right quick  
So can I have it like that?  
You got it like that  
Can I have it like that?  
You got it like that
