

# Gucci Said

## Que

I'mma dawg just like Gucci said  
Married to the money, I'm a newlywed  
And I'm faded just like Boosie' head  
Eyes bloodshot, them bitches ruby red  
I'm a dawg, I'm a dawg just like Gucci said  
Shut the fuck up ho just like Juicy said  
Married to the money, I'm a newlywed  
I'm still a dawg, still dawg just like Gucci said I'm a dawg, like all my dawgz  
Catch the neck and hold her head, south paw  
Hell naw, can't fuck you raw  
Catch a nut and dip, like bitch my dick went soft  
Try'na get Karrueche head, and slide the wood like Juvie said  
Make a movie with the red, and dog her out like Gucci said  
Me and money newlywed, that's why that toolie in my pants  
Pull up with them uzi's and some goonies in a minivan I'mma dawg just like Gucci said  
Married to the money, I'm a newlywed  
And I'm faded just like Boosie' head  
Eyes bloodshot, them bitches ruby red  
I'm a dawg, I'm a dawg just like Gucci said  
Shut the fuck up ho just like Juicy said  
Married to the money, I'm a newlywed  
I'm still a dawg, still dawg just like Gucci said My word is law, is money my flaw  
I gotta have it if I'm broke, I go through withdrawal  
Round of applause, shout out her jaws  
Could suck a laffy taffy, right straight through a straw  
Faded like a Boosie cut, off Janet Juice like Juicy cup  
Pull up in that Dooley truck, like Gucci smokin' fruity blunt  
Blowin' smoke like hookah out the roof  
Like we brought Snoop with us  
You a dog and I'm a dog, then nigga that make two of us
