Azealia Skit

Azealia Banks

I just wanted to say thank you to everybody who downloaded this mixtape
I worked really really hard on it
I really hope you guys have as much fun listening to it as I had making it
Erm, shoutout to everybody who like helped get me this far
Everyone at BBC, everyone at MTV
Everyone at Interscope and everyone at Polydor

Thank you guys so much
Erm, all my friends and family, and you know
All the super talented producers I work with
And everyone else I work with and you know
My DJ and my dancers, and
The fans, the fans, the fans, the fans
Thank you guys so much
