Because

The Wannadies

I'm counting in
the band begins
because, because, and all because I say so
It's fun to be
around to tease
you all, because, and all because I want to
I'm bold and brave
I go my own ways
because, because, and all because
I drink and smoke
until I choke
until I'm broke cause
if I want to
I want to show
the world that I know
just how to cause, to cause real chaos
I shake and spin
I am the king
because, because, and all because
I drink and smoke
until I choke
until I'm broke
and laugh at every stupid joke
cause I want to
