Devil (Soul Square Remix)

Electro Deluxe

Bad day summer, Running through the bridge
Had wind blowing, skirts above the knees
Ain't no doctor, find a cure for this disease
You know what I'm talkin'bout , the most weak is a mangle bee
Never gonna learn
It's time to worry
Devil, yeah
Sometimes it's wrong, sometimes it's right
But it's never gonna be denied
Living, yeah
Just close your eyes to numb the light
Cuz we all got a little bit of devil
(Well, well, yeah)
Creatures preaching, your soul's just what you read
Well, I'm back-sliding, in a back old canteen sheet
Now, loads of last night, tell intuition about by my side
Holdin' on, and on, and on, and on
You know I got a little devil inside
Never gonna learn
It's time to worry
Devil, yeah
Sometimes it's wrong, sometimes it's right
But it's never gonna be denied
Living, yeah
Just close your eyes to numb the light
Cuz we all got a little bit of devil
Got a little devil, got a little devil inside
Got a little devil, got a little devil inside
Never gonna learn
It's time to worry
Devil, yeah
Sometimes it's wrong, sometimes it's right
But it's never gonna be denied
Living, yeah
Just close your eyes to numb the light
Cuz we all got a little bit of devil
Devil, yeah
Sometimes it's wrong, sometimes it's right
But it's never gonna be denied

Living, yeah
Just close your eyes to numb the light
Cuz we all got a little bit of devil
