

Vertebrae By Vertebrae

Björk

Up on the toe
There is a view
Up on the toe
And the spine
Straight and erectHungry and curious
Up on the toe
Looking forward toThe air is thinner hereShe came here to lose face
Got down on her knees
The beast is back on four legs
Set her clock to the moon
Raises her spineVertebrae by vertebrae
Up on the toe, lookingI have been filled with
Steam for months, for years
Same old cloud
Claustrophobic in meLet it burst
Like old train sounds
Make them leave me, natureVertebrae by vertebrae
By vertebrae by vertebrae
By vertebraeMy arms ooze out of my shoulders
And the arms ooze out of my shoulders
I curl my tail inwards, inwards
Set my clock on the moonVertebrae by vertebraePlease release
This pressure off me
Please release
This pressure off mePlease
This pressure off me
Release
Let off some steam
