

# Summer on You

## PRETTYMUCH

[Intro: Brandon]

Baby, I ain't got no money

All I got is time

And imma spend that time on you

But when they pay me

I can buy the sunshine

Take you away, we'll drink champagne

While holed up in a room[Verse 1: Zion]

Darling I've been working all week

I got so much on my plate

Oh, it's late and pouring/getting boring

Although my boss is an a-hole

That's when you call me (brrp, brrp)

Said you've been making a plan

To hit the road with me

I'll pick you up after eight

[Pre-Chorus: All & Edwin]

We'll hit the coast on the late night

Make love 'til daylight

I love it when you play with my hair

You know it feels so nice

And I'll do what you like

Naked in the moonlight

We don't care if we are broke

When love is all we own, I'm saying[Chorus]

Baby, I ain't got no money

All I got is time

And imma spend that time on you

But when they pay me

I can buy the sunshine

Take you away, we'll drink champagne

While holed up in a room

And I'll spend my summer on

You-ooh-ooh-ooh-ooh

And I'll spend my summer on

You-ooh-ooh-ooh-ooh

[Verse 2: Austin]

I'm saying hey babe

Two jobs on minimum wage

Although the rent's late  
Still got a smile on my face  
We ain't got the sunshine  
But we got hearts in our chest  
To feel the love like this

Stronger than anyone else[Pre-Chorus: All, Edwin]

We'll hit the drive-thru  
Like Lil' Wayne  
We ain't got no platinum chains  
But hand-me-downs are all the rage  
So let me spend this pocket change  
We'll drink beer like it's champagne  
Stay out kissin' in the rain  
We don't care if we are broke

If love is we all own, I'm saying[Chorus]  
Baby, I ain't got no money (I ain't got no money)  
All I got is time  
And imma spend that time on you  
But when they pay me  
I can buy the sunshine  
Take you away, we'll drink champagne  
While holed up in a room  
And I'll spend my summer on  
You-ooh-ooh-ooh-ooh

And I'll spend my summer on  
You-ooh-ooh-ooh-ooh[Bridge: Nick & Brandon]  
Oh, baby we ain't got no money  
All we got is love  
But I know that can see us through  
It might sound crazy  
Bought a week of sunshine  
We can stay and sip cold beer  
While holed up in a room

That's how I'll spend my summer on you (my summer on you baby)[Chorus]  
Baby, I ain't got no money (I ain't got no money)  
All I got is time  
And imma spend that time on you  
But when they pay me  
I can buy the sunshine  
Take you away, we'll drink champagne  
While holed up in a room  
And I'll spend my summer on  
You-ooh-ooh-ooh-ooh  
And I'll spend my summer on  
You-ooh-ooh-ooh-ooh
