## Glorytellers

For a minute it was looking like  
I'd end up one of those guys spending my whole life  
Looking for a special lady to save me, maybe I'll never be satisfied  
Had a couple bad lucks and a couple dimes  
Now that I'm looking for you, why you so hard to find?  
I thought I took one step, I took two back  
I'm not even close this time and that's a fact  
All I know is that we'd be the perfect match  
So where you at love? I just gotta find you yeah  
I wanna know, I wanna know your name  
Your name, your name, why you gotta be anonymous?  
I gotta know, I gotta know your name  
Your name, your name, why you gotta be anonymous?  
Baby, I want you so much  
Wanna hold, wanna feel your touch  
Come fast girl I'm in a rush  
Why you gotta be anonymous?  
I wanna know, I gotta know your name  
Your name, your name, why you gotta be anonymous?  
What's your name?  
(Anonymous)  
Where you at?

When I think about you I get a rush  
I wanna meet my Miss Anonymous  
Then I see you when I close my eyes  
We on borrowed time, I wanna delay the sunlight  
Everything I tried to tell you I failed to  
Maybe I'll tell you another time  
How you keeping me so preoccupied  
Gotta strong hold on me, pay me, no, never mind, no  
I thought I took one step, I took two back  
I'm not even close this time and that's a fact  
All I know is that we'd be the perfect match  
So where you at love? I just gotta find you babe  
I wanna know, I wanna know your name  
Your name, your name, why you gotta be anonymous?  
I gotta know, I gotta know your name  
Your name, your name, why you gotta be anonymous?

Wanna hold, wanna feel your touch  
Come fast girl I'm in a rush  
Why you gotta be anonymous?
