

# My Last Sunrise

## Demons & Wizards

The lamb, the rose  
The don't exist  
The lamb, the rose  
They don't exist These are my last words, I need to rest  
In fear and anger, I'll lay down my head  
A faithless spirit in a broken man Everything is burning  
Rotten flesh keeps burning  
It's my last sunrise in fear The grail's in pieces, all the bliss is gone  
The rose has dried out and the lamb got slaughtered long ago  
The hope became another lie like the non-existing father God  
I'll close my eyes, goodbye Don't wait for me on the other side  
Everything is burning  
Rotten flesh keeps burning  
It's my last sunrise in fear  
Don't wait for me on the other side Golgotha  
Had seen nothing else but a carpenter's death  
Golgotha  
Not more maybe not even that Suffer, grief and pain  
Have driven me insane Can't you see there's nothing real  
But you and I and I say goodbye Hear no evil, speak no evil  
See no evil, feel no evil  
Dream no evil, fear no evil  
Taste no evil, touch no evil Hear no evil, speak no evil  
See no evil, feel no evil  
Dream no evil, fear no evil  
Taste no evil, touch no evil Hear no evil, speak no evil  
See no evil, feel no evil  
Dream no evil, fear no evil  
Taste no evil, touch no evil Hear no evil, speak no evil  
See no evil, feel no evil  
Dream no evil, fear no evil  
Taste no evil, touch no evil
