Let Me Be the One

Julie Anne San Jose

Somebody told me you were leavin
I didnt know
Somebody told me youre unhappy
But it doesnt show
Somebody told me that you dont want me no more
So youre walkin out the door
Nobody told me youve been cryin
Every night
Nobody told me youd been dyin
But didnt want to fight
Nobody told me that you fell out of love from me
So Im settin you freeLet me be the one to break it up
So you wont have to make excuses
We dont need to find a set up where
Someone wins and someone loses
We just have to say our love was true
But has now become a lie
So Im tellin you I love you one last time
And goodbyeSomebody told me you still loved me
Dont know why
Nobody told me that you only
Needed time to fly
Somebody told me that you want to come back when
Our love is real againLet me be the one to break it up
So you wont have to make excuses
We dont need to find a set up where
Someone wins and someone loses
We just have to say our love was true
But has now become a lie
So Im tellin you I love you one last time
And goodbyeJust turn around and walk away
You dont have to live like this
But if you love me still then stay
Dont keep me waiting for that final kiss
We can work together through this test
Or we can work through it apart
I just need to get this off my chest
That you will always have my heartLet me be the one to break it up
So you wont have to make excuses

We dont need to find a set up where
Someone wins and someone loses
We just have to say our love was true
But has now become a lie
So Im tellin you I love you one last time
And goodbye
