Waterfall

Cris Williamson

Sometimes it takes a rainy day
Just to let you know
Everything's gonna be - all right
All right

I've been dreaming in the sun
won't you wake me up someone
I need a little peace of mind

Wake me from this dream
That I have dreamed so many times
I need a little peace of mind
Oh, I need a little peace of mind

When you open up your life to the living
All things come spilling in on you
And you're flowing like a river
the Changer and the Changed
You've got to spill some over
Spill some over
Spill some over
Over all

Filling up and spilling over
It's an endless waterfall
Filling up and spilling over
Over all

Filling up and spilling over
It's an endless waterfall
Filling up and spilling over
Over all

Like the rain, falling on the ground
Like the rain, falling all around....

Sometimes it takes a rainy day
Just to let you know
Everything's gonna be - All right

I know, I know, I know all right

Filling up and spilling over
An endless waterfall
Filling up and spilling over
Over all

Filling up and spilling over
It's an endless waterfall
Filling up and spilling over
Over all

ah ba bah, ba ba ba dum ba ba da bum ba ba ba ba ba ba ba

ah ba bah, ba ba ba dum ba ba da bam ba ba ba ba ba ba ba
(4x)
(filling up and spilling over)
