

# Hole in the World

## Eagles

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow  
They say that anger is just love disappointed  
They say that love is just a state of mind  
But all this fighting over who is anointed  
    Oh, how can people be so blind?  
There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow  
    Oh, they tell me there's a place over yonder  
    Cool water running through the burning sand  
    Until we learn to love one another  
    We will never reach the promised land  
    There's a hole in the world tonight  
    There's a cloud of fear and sorrow  
    There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow  
    (There's a hole in the world tonight)  
They say that anger is just love disappointed  
    (There's a cloud of fear and sorrow)  
They say that love is just a state of mind  
    (There's a hole in the world tonight)  
But all this fighting over who will be anointed  
(Don't let there be a hole in the world tomorrow)  
    Oh, how can people be so blind?  
    There's a hole in the world tonight  
        Hole in the world  
    There's a cloud of fear and sorrow  
        Fear and sorrow  
    There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow  
    There's a hole in the world tonight  
        There's a hole in the world  
    (There's a cloud of fear and sorrow)  
        A cloud of fear and sorrow  
    There's a hole in the world tonight

(Don't let there be a hole in the world tomorrow)

Don't let there be a hole in the world

There's a hole in the world tonight

(There's a cloud of fear and sorrow)

Oh there's a cloud of fear and sorrow

There's a hole in the world tonight

(There's a hole in the world tonight)

Don't let there be a hole in the world tomorrow

There's a hole in the world tonight

There's a cloud of fear and sorrow

There's a hole in the world tonight

Don't let there be a hole in the world tomorrow

There's a hole in the world tonight

There's a cloud of fear and sorrow

There's a hole in the world tonight
