A2g

Blackalicious

We're going to learn to hear words with vowel 'A' sound
Listen with care
I be the analog arsonist, aimin' at your arteries
All seeing abstract, analyze everything
Adding on, absolutely abolishing
Average amateur's arsenal just astonishing
Next, we'll learn words that begin with letter 'B'
I be the big, bad body rockin' Bombay to boulevard bully back
Better bring a bomb to the battlefield
Bloody black beats bringing bottoms that boom
Basically build barriers bewilder buffoons
Listen now to words that begin with letter 'C'
Crazy character, constantly creating concoctions
Catalyst, a cannibalistic rhymes conqueror
Correctly connecting, craniums crumble down
Consistent capacity
Next we'll hear words that start with letter 'D'
Done did that done did this diddle don
Domination don't dignify diction
Doin' it deep down dialect daring
Doomsday dut devastate during the duration

Listen to our song for vowel 'E'
Extraterrestrial electrical, effortless
Eons of energy, everyone affected
Efficiently epitomize excellent
Extravagant elevate where the essence is
'F' is the letter with which these words begin
Blackalicious got funk for the future filling up fiends finally
Fabulous, furious, fatness, follow me
Niggers fall frequently, fact
Verbal felon fired up federally foundation fadin' all of this wack shit
You will listen carefully again to words with sounds for letter 'G
I be the gift of gab, the man with the given gift of gab
Man with the gift of gab
I possess the gift of gab, gift of gab, gab
I use my gift of gab to boast and brag in every rhyme I, got the gift of gab
When I shoot the gift, I shoot, I use the gift of gab like a harpoon
On the serious tip, I'm equipped with a gift

The gift of gab, it don't waiver
Yo man you gotta, grab the mic to show you got the gift of gab
These are the letters B, C, D, and F
And then comes the letter G
