

A2g

Blackalicious

We're going to learn to hear words with vowel 'A' sound

Listen with care

I be the analog arsonist, aimin' at your arteries

All seeing abstract, analyze everything

Adding on, absolutely abolishing

Average amateur's arsenal just astonishing

Next, we'll learn words that begin with letter 'B'

I be the big, bad body rockin' Bombay to boulevard bully back

Better bring a bomb to the battlefield

Bloody black beats bringing bottoms that boom

Basically build barriers bewilder buffoons

Listen now to words that begin with letter 'C'

Crazy character, constantly creating concoctions

Catalyst, a cannibalistic rhymes conqueror

Correctly connecting, craniums crumble down

Consistent capacity

Next we'll hear words that start with letter 'D'

Done did that done did this diddle don

Domination don't dignify diction

Doin' it deep down dialect daring

Doomsday dut devastate during the duration

Listen to our song for vowel 'E'

Extraterrestrial electrical, effortless

Eons of energy, everyone affected

Efficiently epitomize excellent

Extravagant elevate where the essence is

'F' is the letter with which these words begin

Blackalicious got funk for the future filling up fiends finally

Fabulous, furious, fatness, follow me

Niggers fall frequently, fact

Verbal felon fired up federally foundation fadin' all of this wack shit

You will listen carefully again to words with sounds for letter 'G'

I be the gift of gab, the man with the given gift of gab

Man with the gift of gab

I possess the gift of gab, gift of gab, gab

I use my gift of gab to boast and brag in every rhyme I, got the gift of gab

When I shoot the gift, I shoot, I use the gift of gab like a harpoon

On the serious tip, I'm equipped with a gift

The gift of gab, it don't waiver
Yo man you gotta, grab the mic to show you got the gift of gab
These are the letters B, C, D, and F
And then comes the letter G
