

# Waldorf Worldwide

## Good Charlotte

Waldorf, Naptown, worldwide, what!  
C'mon, get up, get up, get up  
C'mon, yeah  
Break it, break it, break it down, tiki tiki Everything's gonna be alright now  
Everything's gonna be alright  
Get down, stay up all night now  
Let's do this one more time  
Everything'll be alright, alright  
(Bring it in, bring it in, what!)  
Bring in the verse, uh! Listen up, 'cause there ain't nothin' funny  
I wanna hot girl and a little bit of money  
I wanna little house where my band can live  
'Cause we're tired of movin' every other weekend I wanna go to parties where they got no guns  
I wanna rock with my band, I wanna have a little fun  
Where thugs and punks and any other type  
Can sing this song and we'll sing it all night, sing it! Everything's gonna be alright now  
Everything's gonna be alright  
Get down, stay up all night now  
Let's do this one more time  
Everything'll be alright  
Everything'll be alright alright All I wanna do is kick the welfare  
All I wanna do is get my share  
All I wanna do is kick the welfare  
All I wanna do is get my share And I don't wanna run for the president  
I just want an honest way to pay my rent  
And I'm tired of the man always shuttin' us down  
Tired of my old man 'cause he's never around And I'm tired of eating off of other people's plates  
And I don't look important, so they're tellin' me to wait  
Police records say they wouldn't exist  
I wanna know the meaning of a Christmas list Said all I wanna do is kick the welfare  
All I wanna do is get my share  
All I wanna do is make somethin' of nothin'  
It's GC baby and we're workin' with somethin' Said everything's gonna be alright now  
Everything's gonna be alright  
Get down, stay up all night now  
Let's do this one more time  
Everything'll be alright  
Everything'll be alright alright We'll be self-made millionaires  
This life we'll lead without a care, oh yeah

And we'll see what we'll be Everything's gonna be alright now  
Everybody say, "Oh yeah, that's right"  
Everything's gonna be alright now  
Everybody say it one more time  
Everything'll be alright Alright!  
(Tiki tiki)  
Alright!  
(Get up, get up, get up)  
Alright!  
(We'll see you when we get there)  
Alright!  
(We'll see you when we get there) On the video, on the radio  
In the magazines, on the movie screens
