

H.S.K.T. (Extended Mix)

Sylvan Esso

I've got a television
It fills me up with home
I've got a television
It fills me up with home
Wherever I end up
Wherever I roam
Hey I've got a television
It fills me up with home

Iâ€™ve got a phone it beeps
Lets me know Iâ€™m not alone
Iâ€™ve got a phone it beeps
Lets me know Iâ€™m not alone
Wherever I end up
I sleep like a stone
Yeah I got a phone it beeps lets me know Iâ€™m not alone

My head my shoulders
Knees and toes
My head my shoulders
Knees and toes
My head my shoulders
Knees and toes
They're running everywhere in fancy clothes
My head my shoulders
Knees and toes
My head my shoulders
Knees and toes
My Head my shoulders
Knees and toes
They take me where I need to go

Bright
Young
Kinda hurt
Donâ€™t you wanna get som
Esso
Bright
Young

Hurt
Donâ€™t you wanna get some

My head my shoulders
Knees and toes
My head my shoulders
Knees and toes
My head my shoulders
Knees and toes
They're running everywhere in fancy clothes
My head my shoulders
Knees and toes
My head my shoulders
Knees and toes
My Head my shoulders
Knees and toes
They take me where I need to go

And all around the party
We stand in circles numb
And all around the party
We stand in circles numb
Oh who can I find here
Who knows where I come from?
Oh all around the party
We stand in circles numb

I had a thread before
Now I donâ€™t know where its gone
I had a thread before
Now I donâ€™t know where its gone
Oh how did I get here?
What did I say when I was young?
I had a thread before, now I donâ€™t know where its gone

Bright
Young
Kinda hurt
Donâ€™t you wanna get som
Esso
Bright

Donâ€™t you wanna get some

My head my shoulders
