Drown

House Of Heroes

The water's at our knees
It's rising while we speculate to its existing
Sinking merrily
Invincible convinced no warning is worth heeding
The ocean deep and black that seemed so shallow
Pulls me under
I'm not giving up that easy
I'm not giving up on anything
Long as I have lungs still breathing
Learn to swim before we drown
Come, come one and all
And sacrifice your pride to find a new beginning
Open up your ears and eyes
To see our minds are still in need of changing
If we knew the truth would we even care at all
Or be pulled under?
I'm not giving up that easy
I'm not giving up that easy
I'm not giving up on anything
Long as I have lungs still breathing
Learn to swim before we drown before we drown
Learn to swim before we drown, before we drown
Grant us grace to change our minds
