

Welcome To New York (Voice Memo)

Taylor Swift

Walkin' through a crowd, the village is a glow
Kaleidoscope of a loud, hide beats under coats
Everybody here wanted somethin' more
Searchin' for a sound we hadn't heard before
And it said Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York
Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York It's a new soundtrack I could dance to this beat, beat forevermore
The lights are so bright but they never blind me, me
Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York When we first dropped our bags on apartment floors
Took our broken hearts and put them in a drawer
Everybody here was someone else before
And you can want who you want
Boys and boys and girls and girls Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York
Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York It's a new soundtrack I could dance to this beat, beat forevermore
The lights are so bright but they never blind me, me
Welcome to New York (New York!)
It's been waitin' for you
Welcome to New York, welcome to New York Like any great love, it keeps you guessing
Like any real love, it's ever-changing
Like any true love, it drives you crazy
But you know you wouldn't change anything, anything, anything Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York
Welcome to New York
It's been waitin' for you
Welcome to New York, welcome to New York It's a new soundtrack I could dance to this beat
The lights are so bright but they never blind me
Welcome to New York
New soundtrack
It's been waitin' for you

Welcome to New York
The lights are so bright but they never blind me
Welcome to New York
So bright, they never blind me
Welcome to New York
Welcome to New York
