

Baby, Come To Me

Patti Austin & James Ingram

.Baby, Come to Me.(Patti)
 Thinkin' back in time
 When love was only in my mind
 I realize
 Ain't no second chance
 You've got to hold on to romance
 Don't let it slide
 There's a special kind of magic in the air
 When you find another heart that needs to share
 (juntos)
 Baby, come to me
 Let me put my arms around you
 This was meant to be
 And I'm oh so glad I found you
 Need you ev'ry day
 Gotta have your love around me
 Baby, always stay
 'Cause I can't go back to livin' without you(James)
 Spendin' ev'ry dime
 To keep you talkin' on the line
 That's how it was
 And all those walks together
 Out in any kind of weather
 Just because
 There's a brand-new way
 Of looking at your life
 When you know that love
 Is standing by your side
 (juntos)
 Baby, come to me
 Let me put my arms around you
 This was meant to be
 And I'm oh so glad I found you
 Need you ev'ry day
 Gotta have your love around me
 Baby, always stay
 'Cause I can't go back to livin' without you(James)
 The nights can be cold
 There's a chill to ev'ry evenin'

When you're all alone(Patti)
Don't talk anymore
'Cause you know that I'll be here
To keep you warm
(Oh, darling keep me warm)(juntos)
Baby, come to me (come to me)
Let me put my arms around you
This was meant to be (my love)
And I'm oh so, glad I found you
(Oh, so glad I found you)
Need you ev'ry day (ev'ry day)
Gotta have your love around me
(Gotta have you)
Baby, always stay(Patti)
'Cause I can't go back to livin' without you(juntos)
Come to me
(Let me put my arms around you)
Let me put my arms around you
This was meant to be
(Hey, I need you ev'ry day, baby)
And I'm oh, so glad I found you
Need you ev'ry day
Gotta have your love around me
(Gotta have you and I want you to stay)
Baby, always stay(James)
'Cause I can't go back to livin' without you(juntos)
Come to me (come to me)
Let me put my arms around you
(Love me, love me, baby)
This was meant to be
And I'm oh so glad I found you...
