When a Child Is Born

Johnny Mathis

A ray of hope flickers in the sky
A tiny star lights up way up high
All across the land, dawns a brand new morn
This comes to pass when a child is bornA silent wish sails the seven seas
The winds of change whisper in the trees
And the walls of doubt crumble, tossed and torn
This comes to pass when a child is bornA rosy hue settles all around
You've got the feel you're on solid ground
For a spell or two, no one seems forlorn
This comes to pass when a child is bornAnd all of this happens because the world is waiting,
Waiting for one child
Black, white, yellow, no one knows
But a child that will grow up and turn tears to laughter,
Hate to love, war to peace and everyone to everyone's neighbor
And misery and suffering will be words to be forgotten, forever
