

Tonight (Lyrics)

Nonso Amadi

Nonso on the beatMa girl, she gatta gun in hand
and she keeps warning her man
baby girl I know what I did
you ain't get to run ya mouth
so run ya mouth
Baby I say run ya mouth
let me know how you really feel
so run ya mouth
You know I gatta special spot
to help you remember me, and everytime you leave this spot you know I get to see (hey)She's bright like
electric bulbso everybody gets to see, hey
and everytime you leave this spot you know I gat to see, hey
But tonight you can't call ma phone
tonight you can't call me all night long
tonight I represent the guy with the money, who live fast but still baby don't die young
Say tonight you can't call ma phone
tonight you can't call me all night longtonight I represent the guy with the money, who live fast but still baby
don't die young
So tonight just go all the way with me, all the way with me
tonight just go all the way with me, all the with metonight just go all the way with me, all the way with me
tonight just go all the way with me, all the way with meSee a different loving I mean not boast
me I keep dodging them in my post
I don't even mind your number two
tell me what you want, I want it tooBut if you wanna go, I understand why
I can never be the number one guy
I don't even mind a number two
tell me what you want, I want it too
You know you gatta special spot, to help you remember me (hey-hey)and everytime you leave this spot
you know I get to see (oh-o-o)
and she's bright like a electric bulb so everybody's gets to see, hey
and everytime you leave this spot you know I get to seeBut tonight you can't call ma phone
tonight you can't call me all night long
tonight I represent the guy with the money, who live fast but still baby don't die young
Say tonight you can't call ma phonetonight you can't call me all night long
tonight I represent the guy with the money, who live fast but still baby don't die youngSo tonight just go all the
way with me, all the way with me
tonight just go all the way with me, all the with me
tonight just go all the way with me, all the way with me
tonight just go all the way with me, all the way with meBut tonight you can't call ma phone

tonight you can't call me all night long
tonight I represent the guy with the money, who live fast but still baby don't die young
Say tonight you can't call ma phone
tonight you can't call me all night long
tonight I represent the guy with the money, who live fast but still baby don't die young
So tonight just go all the way with me, all the way with me
tonight just go all the way with me, all the way with me
tonight just go all the way with me, all the way with me
tonight just go all the way with me, all the way with me
A different loving I mean not mean not
Me I keep on dodging them in my in my
I don't even mind number one two one two
Tell me what you want I want to want to
