I Wanna Die

Miranda Lambert

You know it's so complicated, first you love then you hate it Someone's laughin', someone's cryin', someone livin', someone's dyin'

Somebody always loses an' we still play the game

An' the fire will always burn you an' we still light the flameLet's make it up, baby 'cause I ain't gonna fight If you're the death of me, darlin', I wanna dieYou always say that you love me an' there is no one above me

Never givin', always takin', never bendin', always breakin'

I know you ain't a liar but you don't tell the truth

An' you're walkin' on a wire wearin' someone else's shoesIf you're handin' out misery, I'll be the first in line If you're the death of me, darlin', I wanna dieTear it up, break it down

Put my heart on your sleeve an' wear it all over town

I know you're a player but you don't play by the rules

An' I'm just another in a long line of fools Yeah, it's so complicated, I love then I hate it

I'm laughin', you're cryin', you're livin', I'm dyin'

Somebody always loses an' we still play the game

Yeah, the fire will always burn you an' we still light the flameLet's make it up, baby 'cause I ain't gonna fight If you're the death of me, darlin', I wanna dieYeah, tear it up, break it down

Put my heart on your sleeve an' wear it all over town

I know you're a player but you don't play by the rules

An' I'm just another in a long line of fools Yeah, it's so complicated, I love then I hate it

I'm laughin', you're cryin', I'm livin', you're dyin'

I know you ain't a liar but you don't tell the truth

Hey, you're walkin' on a wire wearin' someone else's shoesYou're handin' out misery, I'll be the first in line If you're the death of me, darlin', I wanna dieI wanna die

Tear it up, tear it up
