Ruth Ruth

Captured by a crack in the walk
My attention, by a thread, unshakable
One day I will undermine you all
A murder in the bath, my boyfriend
The landlord touched me where he shouldn't have
The rabbit in my head will run no more
Then it all came back to me
Condition....Condition
I remain, humbly, your tool
A penguin in the yard, a drip
A ringing bell, a hunchback midget band
A cracker for a bleak and hungry girl
Then it all came back to me
Condition....Condition
I remain, humbly, your tool
Then it all came back to me
Roman waiting in the hall
A framed photograph and Helen through the wall
Then it all came back to me
Condition....Condition
I remain, humbly, your tool
