

Free Chilly (feat. Sarah Green & Gemstones)

Lupe Fiasco

If we could break down those walls to set you free,
We would, cause we out here, and we miss you.If we could build a ladder that tall, to come up and see you, we
would,
Cause we down there, and we miss you.If we could break down those walls to set you free,
We would, cause we out here, and we miss you.If we could build a ladder that tall, to come up and see you, we
would,
Cause we down there, and we miss you.
