

# How Can I Keep from Singing

## Celtic Woman

My life goes on in endless song  
Above earth's lamentations  
I hear the trumpets sounding strong  
That hails a new creation  
Through all the tumult and the strife  
I hear its music ringing  
It ever echoes in my life  
How can I keep from singing? And though the shadows gather 'round  
The endless song it giveth  
My strength within and joy abound  
The world of truth it liveth  
Though dark the night and long the road  
I hear the music ringing  
And with such power and grace bestowed  
How can I keep from singing? No storm can shake my inmost calm  
While to this rock I'm clinging  
How can I ever come to harm?  
How can I keep from singing?  
Then sings my soul with love profound  
A fountain ever springing  
Deep from the earth how sweet the sound  
How can I keep from singing?
