Tears of Taragon

Freedom Call

There's dust in the air
On a winter morning
I hear the call of the wildThere's wind in my hair
In dreams I'm longing
To see the world like a childAll my deeds I will repent
All my faith will never endFallen angels, flying high in the sky
Fallen angels, rescue me againThere's ice on the land
On clouds I'm walking
My face can touch the skyThe sign in my hand
All my cries for freedom
Die away tonightAll my deeds I will repent
All my faith will never endFallen angels, flying high in the sky
Fallen angels, rescue me againFallen angels, flying high in the sky
Fallen angels, rescue me againFallen angels, flying high in the sky
Fallen angels, rescue me againFallen angels, flying high in the sky
Fallen angels, rescue me again
