

Talk to Me

Bruce Springsteen

Well every night I see a light shine in your window
And every night you don't answer when I come knockin' at your door
Your daddy won't ever let me in
I see from the street your silhouette sittin' close to his
What must I do, what does it take, to get you to Talk to me - Until the night's over
Talk to me .well until the night's over, yeah yeah yeah
I got a full week's pay
And baby I've been working hard each day
I'm not asking for the world you see
I'm just asking girl
Talk to me Well late at night I hear the music softly playing
And late at night I see the two of you softly swayin
I don't understand darling what was my sin
Why am I down here below your arms are open to him
What did I do , what did I say, what must I pay
To get you to Talk to me - Until the night's over
Talk to me
Well until the night is over, yeah yeah yeah
I got a full week's pay
And baby I've been working hard each day
I'm not asking for the world you see
I'm just asking darlin' , talk to me
Yeah, yeah, yeah, yeah I don't understand darling what was my sin
Why am I down here below and your arms are open to him,
What did I do
What did I say
What must I pay
To get you to Talk to me - Until the night's over
Talk to me - Well until the night's over, yeah yeah yeah
I got a full week's pay
And baby I've been working hard each day
I'm not asking for the world you see
I'm just asking darling please
I'm down on bended knees
Talk to me
